

In what manner do you observe individuals? How do you interpret their demeanor? Each person perceives their environment in a unique way. While some individuals enjoy interacting with others, others prefer solitude. What is the significance of an individual to you? Write down your thoughts and perspectives?

[illegible]

02.3 WHICH PERSPECTIVE

What is your predominant viewpoint when evaluating situations and individuals, and are you conscious of this standpoint? List the perspectives that you commonly utilize to perceive people and situations and identify your primary one. Please explain.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

02.4 WHICH PERSPECTIVE

When you consider yourself, what is your method of self-examination? What do you notice? Are there specific viewpoints that you employ to evaluate yourself? Do you use the perspectives also for others? Are you more critical to others or yourself? Please elaborate.

This image shows a full page of blank white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page, typical of notebook paper or a document template. There are no margins, text, or other markings present.
